Washington, June 5. — Louis D. Brandeis, the first Jew to sit on the United States supreme court bench, took the oath of office at noon today. A distinguished assemblage of public men, including members of both houses of congress, witnessed the administration of the oath.

SUFFRAGISTS SWARM ALL OVER DELEGATES

Tell Them They Must Come Through Flat—Weeks Refuses, Is Blacklisted

Chicago, June 5.—Thirteen hundred determined suffragists, delegates to the woman's party convention, today descended upon candidates row and the downtown delegates to the republican and progressive conventions are quarreling, demanding immediate and decisive action toward submission of a federal equal suffrage amendment.

Each woman worked under specific instructions to get a flat "yes" or "no" statement from the delegates who was listed to see. No evasion was to be allowed, and every delegate was down on the visiting list of some one of the suffrage workers.

The first and only flat rejection of the woman's cause reported came from Senator Weeks, of Massachusetts, delegate and candidate for presidential nomination. Weeks' name at once went on the party's black list. Weeks was told that four million voters of suffrage states—holding the balance of power between the republican and democratic parties, would not let him cold in event he should win his fight for the republican nomination.

Suffrage workers are not satisfied with proposal that the party platform contain endorsement of equal suffrage, nor even that they pledge the party to submit a federal amendment in event it is returned to power. The fight is for immediate action by which the republican party would pledge its support for such an amendment at the present session of congress, there being sufficient democratic support for suffrage, if the minority in congress should be lined up solidly to meet the party's pledge, to insure its adoption.

Another meeting will be held this week when the chairman of the committees appointed by Benjamin Brick will discuss general plans of the Cherry fair. They will be notified by Mr. Brick when the meeting will be held.

State bank superintendent S. G. Sargent left this city today for Louisville, Ky., where he will attend the national convention of the national association of supervisors of state banks which will be in session June 12, 13 and 14.

L. F. Rice, one of the oldest and most prominent pioneers of Douglas county, died at Roseburg this morning at an advanced age, after an illness of long duration. Mrs. B. B. Houston, a close friend of the family, went to Roseburg today to attend the funeral.

The annual meeting of the Oregon Osteopathic association will be held in Portland in the Morgan building June 8 and 9. Dr. R. W. Walton is on the program and will read an article on "Physical Examination and Diagnosis." Dr. D. D. Young of McMinnville will read a paper on "Osteopathic Treatment of Flat Foot."

Out of the 750 attending at the high school, more than 400 selected the business course, under the direction of Merritt Davis. During the last months of this semester, the advanced students were allowed to do practical work for business firms, working for the experience and the pupils given credits for this outside work.

Company M. O. N. G., will probably attend the Portland Rose festival and take part in the parade according to a letter received from headquarters today. If 75 per cent of the company can make the trip they will be furnished with a special train to the Rose show and furnished one meal in Portland. The train leaves this city at 7:25 Friday morning and the boys will return on a later train that evening.

The graduating class of Willamette University which stepped out into the world just half a century ago will be given by the alumni at the Marion hotel Wednesday evening. The graduates of the class of 1891 will be honored guests. Charles B. Moore of Portland will act as toastmaster and responses will be made by alumni who have become prominent in the affairs of the state.

Mrs. W. H. Dancy, as chairman of the baby parade for the Cherry fair is now ready to receive entries and as Mr. Brick expects to have a newspaper cut made of the first entry, there should be considerable competition as to who shall enter first. There is no entry fee. Just phone Mrs. Dancy, and her phone number is one. The baby parade last year was one of the most attractive features of the celebration and this year it is hoped that a larger number will enter. The baby parade will take place on the morning of the first day of the fair, immediately following the crowning of the queen.

The Rev. Harry E. Marshall is this week holding evangelistic services in the Baptist church of La Conner, in which the other churches of that city are co-operating. In referring to Mr. Marshall's work, the Paget Sound Mail says: "The special meetings by evangelist H. E. Marshall of Salem, Oregon, are proving intensely interesting and profitable. He is expounding the gospel in a powerful, logical and convincing manner. His messages are clothed with the spirit's power, his illustrations are apt and clear cut and his arguments unanswerable. Dr. Marshall reminds one very much of Billy Sunday in his forceful appeal and brilliant epigrams. He is a veritable dynamo of physical and mental energy."

Letters have been mailed from the Commercial club signed by W. M. Hamilton, president, announcing the annual membership meeting to be held next Wednesday evening, June 7. At this meeting, a president, vice president, secretary and treasurer will be elected and the election of the seven department directors, who have been elected by the departments will be effected. The president, Mr. Hamilton, will submit an annual report covering the activities of the club for the past year, and also a financial report. All nominations for officers will be made from the floor. As the work of the Commercial club depends to a great extent on the selection of competent officers, Mr. Hamilton in his letter earnestly requests all members to be present Wednesday evening at 8 o'clock.

Instead of holding the annual memorial services in the cemetery, the Woodmen of the World held services last night in their lodge rooms at McCracken hall. The services were similar to those held in the cemetery, with a monument placed in the center of the lodge room and the unveiling according to the regular ritual. The memorial address was made by Frank Wrightman and the ritualistic work put on by the full degree team of 16 men and two officers. The music for the evening was furnished by a quartette composed of Mrs. H. D. St. Helens, Mrs. C. O. Matlock, Roy Campbell and E. C. Crawford, with Mrs. Roy Campbell accompanist. The services were well attended and the officers are well satisfied with the new plan of holding the annual memorial exercises in the lodge room instead of taking chances of unfavorable weather in going to the cemetery.

Strength
—both of body and mind—is wonderfully promoted by including in the diet a daily ration of

Grape-Nuts

This delicious food contains all the nutriment and energizing properties of whole wheat and barley from which it is made, and is especially rich in the mineral phosphates furnished by these grains. These mineral elements are lacking in many foods, but absolutely necessary for proper growth and maintenance of body, brain and nerves.

Grape-Nuts food has delightful flavor, is easily digested, and comes ready to eat—crisp, sweet and wonderfully nourishing.
